

i-Aligner Gold²

EEWAKS545

The new John Bean *i-Aligner Gold²* wheel aligner will help to make garage technicians alignment experts. This versatile aligner is easy to use, reduce correction times and increase shop efficiency.

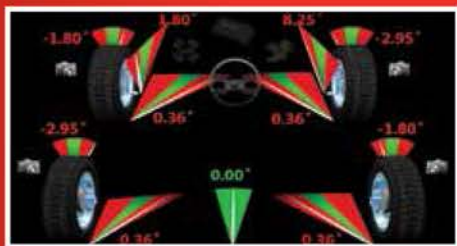

With the unique imaging alignment system, the wheel aligner leveraged patented imaging technology to provide accurate real-time measurements.

The *i-Aligner Gold²* is also available with AC400 Quick Clamps.
